About us

EST. 1999

Engineering Solutions Built on Experience, Expertise and Purpose.

Safari Ingeniuers was established on **12 October 1999** as a consulting engineering firm serving both government and private sector clients.

With expertise across **Civil, Structural, Planning, Environmental and Geotechnical Engineering**, we bring together multidisciplinary knowledge to deliver practical solutions for projects of different scales and complexities.

Our local capabilities are strengthened by the international experience of our directors, bringing broader perspectives and proven engineering knowledge into every project.

SAFARI INGENIUERS

Our Mission

Engineering with Purpose. Delivering with Confidence.

Safari Ingeniuers brings experience, insight and engineering expertise together to shape solutions for every project. We focus on understanding each challenge and turning ideas into practical, dependable outcomes.

Our multidisciplinary team works with purpose and precision, guided by quality, responsibility and professional integrity. We deliver with confidence, creating lasting value for our clients and the communities we serve.

SAFARI INGENIUERS

Our Vision

Shaping a Better Future Through Engineering Excellence.

Safari Ingeniuers strives to be a trusted engineering consultancy recognised for technical excellence, professional integrity and solutions that create lasting value.

We envision a future where thoughtful engineering supports sustainable development, stronger communities and better infrastructure for generations to come.

SAFARI INGENIUERS

Our Services

From early investigation to project implementation, **Safari Ingeniuers** provides multidisciplinary engineering consultancy services tailored to the technical requirements of each project.

01

Survey & Civil Consultant

Establish in managing, design & supervision of structural & civil worlds

02

Technical Studies

Technical, economic and financial feasibility studies supporting informed planning and project decisions.

03

Environmental Planning

Environmental planning, design and project supervision focused on responsible and practical development.

04

Development & Infrastructure

Environmental planning, design and project supervision focused on responsible and practical development.

05

Project Management Consultancy

Managing project planning, coordination and supervision for smooth and successful project delivery.

SAFARI INGENIUERS

Why Choose Us?

Since 1999	100+	5
Proven Experience	Projects Delivered	Engineering Disciplines

Choosing **Safari Ingeniuers** means working with a team built on experience, technical knowledge and multidisciplinary expertise. We understand that every project brings different requirements, challenges and responsibilities.

Our approach combines practical engineering with professional integrity and close collaboration, giving our clients the confidence to move their projects forward from planning through implementation.

SAFARI INGENIUERS

Board of Directors

Safari Ingeniuers is led by experienced engineering professionals whose technical knowledge and industry experience guide the company's direction, standards and commitment to professional excellence.

Directors & Equity Shareholders

Dato' Ir. Mohd Safari Ahmad

B.ENG. (HONS - UM), P.ENG. (MAL), MIEM, MSSA

Ir. Mohd Rani Mohd Lazim

B.SC. CIVIL ENGINEERING, BRIGHTON POLYTECH, UK P.ENG. (MAL), MIEM

Associate Director

Dato' Ir. Hj Che Noor Azeman Yusoff

MSC, BSC (HONS - STRATCHCLYDE, UK, P.ENG (MAL), MIEM, IEM, CCPM, CIDB

Ir. Ariffin Ngah

B. CIVIL ENG (UTM), P.ENG (MAL), MIEM

Ir. Ahmad Sharidan Ab Rahman

B. CIVIL ENG (UOW), P.ENG (MAL), MIEM

SAFARI INGENIUERS

LIST OF KEY PERSONNEL

Project Basis

Project-based professionals provide specialised expertise and technical support to meet the needs of each project.

01 Ir. Raja Azman Shah Raja Muhammad

02 Ir. Mohd Ammady Nawi

03 Kamarzul Bahrim Tajul Arus

SAFARI INGENIUERS

LIST OF KEY PERSONNEL

Associates on Project Basis

Project associates provide specialised expertise to strengthen our team and support specific project needs.

01 Dato' Ir. Hj Che Noor Azeman Yusoff
(Roadworks & Highway)

02 Ir. Ahmad Sharidan Ab Rahman
(Civil Works)

03 Ir. Amir Hamzah Mustafa
(Geotechnical Works)

04 Ir. Ariffin Ngah
(Bridged & Structural Works)

05 Ir. Ammady Nawi
(Waterworks)

SAFARI INGENIUERS

LIST OF KEY PERSONNEL

Technical / Drafting Department

Our Technical and Drafting team supports engineering projects through accurate drawings, technical documentation and detailed project coordination.

01 Suwaya Yaacob

02 Said Salleh

03 Izzatul-Husna Jessemin Jamaluddin

04 Nur Ashikin Abd Kadir

SAFARI INGENIUERS

LIST OF KEY PERSONNEL

Professional Team

Our professional team combines technical expertise and practical experience to deliver reliable engineering solutions.

01 Ir. Ts Muhammad Ruzi Yaakub

02 Nik Aziman Nik Ibrahim

03 Marzuha Mustapha

04 Muhammad Hafifi Mohd Badrai

05 Muhamad Faez Azman Shah

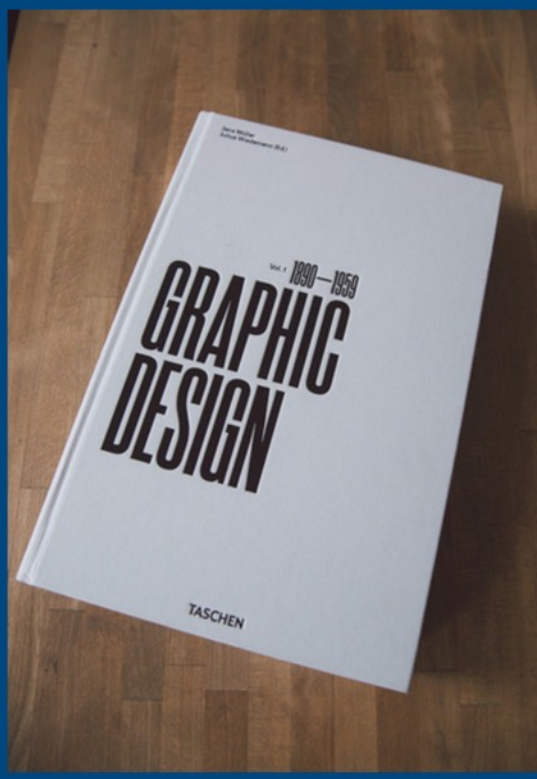

06 Mohd Hafiz Mohd Jamil

07 Nur Hazimah Suhuri

SAFARI INGENIUERS

LIST OF KEY PERSONNEL

Graphic Designer

Supporting projects through graphic design, visual communication and aerial drone operations.

01 Ahmad Haqim

SAFARI INGENIUERS

LIST OF KEY PERSONNEL

Semi Professional

Providing practical skills and technical support across projects and daily operations.

01 Azhar Ahmad

02 TG Mohd Faizal TG Mohd Rushdi

03 Mohd Nasir Norman

04 Nor Azman Ghani

05 Abdul Halim Mohd Salleh

06 Mohd Kamarul Nizam Abdul Aziz

SAFARI INGENIUERS

LIST OF KEY PERSONNEL

Clerical & Management

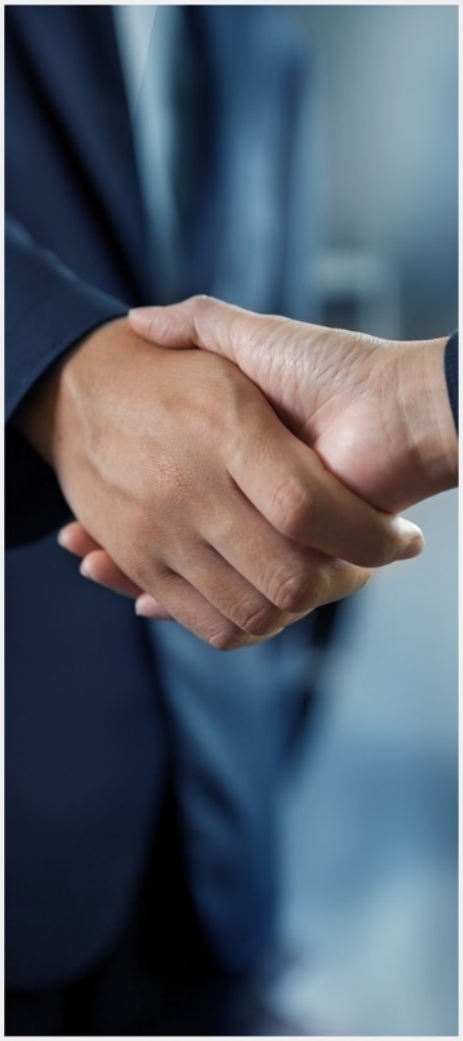

Supporting the company through effective administration, coordination and day-to-day management.

01 Dato' Mohd Nasir Abdullah
(Company Secretary)

02 Noorazian Ismail
(Administrator)

03 Hanisha Abd Majid
(Administrator Assistant)

SAFARI INGENIUERS

Professional Registration

Safari Ingeniuers maintains professional affiliations with recognised engineering institutions and industry bodies, reflecting our commitment to professional standards, technical competency and responsible engineering practice.

SAFARI INGENIUERS

Ministry Registration

Safari Ingeniuers maintains registrations with relevant government agencies and statutory bodies, reflecting our commitment to regulatory compliance and responsible business practices.

SAFARI INGENIUERS

Registration with Authorities

Safari Ingeniuers is registered with key authorities and agencies across Malaysia, supporting our involvement in a wide range of engineering and infrastructure projects.

Indah Water

TENAGA NASIONAL BERHAD

JABATAN PENGAIRAN DAN SALIRAN MALAYSIA

SPAN

JKR

AIR

SAFARI INGENIUERS

Engineering Technology

Safari Ingeniuers integrates digital technology across its engineering, management and administrative operations, supporting efficient communication, project coordination and technical delivery.

DESIGN

- STAAD
- MicroStation
- Prota Structure

CIVIL & SURVEY

- Softdesk Civil & Survey
- MXRoad / NovaPoint
- Civil 3D

ANALYSIS

- GeoSlope
- AllPile
- Esteem / Orion

Our engineering teams use specialised software to support design, analysis, modelling and technical documentation. These tools help improve accuracy, coordination and efficiency throughout the project development process.

SAFARI INGENIUERS

Project Experience

01 Roadworks & Infrastructure

Completed a range of road and infrastructure projects across Malaysia, including highways, bridges, slope repairs and road upgrades.

02 Drainage & Flood Mitigation

Completed flood mitigation, drainage and river upgrading projects across Malaysia.

03 Residential

Completed residential and housing developments ranging from private homes to large-scale communities.

04 Community

Completed community projects including schools, mosques, markets, sports facilities and public amenities across Malaysia.

05 Government

Completed government projects covering public offices, staff quarters, institutional facilities and infrastructure for various government agencies across Malaysia.

SAFARI INGENIUERS

Project Experience

06 Private Sector

Completed private sector projects covering commercial, industrial, automotive and institutional developments for established companies across Malaysia.

07 Telecommunications

Completed telecommunications projects covering towers, antennas and transmission infrastructure across Malaysia.

08 Independent Checker Experience

Selected independent checker assignments covering structural, geotechnical and infrastructure works across Malaysia.

SAFARI INGENIUERS

Current Project

Project Name	Client Name	Status	Category
KL-Karak Highway Petrol Station & Public Facilities, KM72.5	Find Access Sdn. Bhd.	Design Stage	Commercial / Infrastructure
JSAHMS Access Road Development, Penang	Medan Setia Sdn. Bhd. In Pro	Design Stage	Roadworks & Infrastructure
NPE Petrol Station & Public Facilities	Skyfall Glory Sdn. Bhd.	Design Stage	Commercial / Infrastructure
Northbound Petrol Station & Facilities Upgrade, Jasin	Amzass (M) Sdn. Bhd.	Design Stage	Water Infrastructure
Southbound Petrol Station & Facilities Upgrade, Jasin	Amzass (M) Sdn. Bhd.	Submission Stage	Commercial / Infrastructure
Putrajaya Driving Academy Development	Akademi Memandu Meranti Sdn. Bhd.	Construction	Commercial / Institutional
Islamic Complex Development, Gombak	JAIS	Construction	Community
KL-Karak Highway Truckers Centre, KM68.7	LLM	Submission Stage	Commercial / Infrastructure
Kota Bharu to Kuala Krai Road, Package 2B	JKR	Construction	Roadworks & Infrastructure
Kota Bharu to Kuala Krai Expressway Package 2C	JKR	Construction	Roadworks & Infrastructure
Kg. Bahagia to Kg. Pasir Kelang Road, Kuala Krai	JKR	Construction	Roadworks & Infrastructure

SAFARI INGENIUERS

Independent Checker Experience

Selected Assignments

Assignment	Location	ICE Discipline
Alternative Segmental Arch Bridge Design for Replacement of Bridges No. 2 & 5, Central Spine Road	Gua Musang, Kelantan to Kg. Relong, Pahang	Structural / Geotechnical
SU30MKM Aircraft Facilities at RMAF Gong Kedak Air Base	Gong Kedak, Terengganu	Infrastructure
Replacement of Bridge FT001/317/70	Seremban, Negeri Sembilan	Structural / Geotechnical
Design & Construction of Taiping Prison Quarters	Taiping, Perak	Structural / Infrastructure
Design & Construction of Faculty of Veterinary Medicine Complex, Universiti Malaysia Kelantan	Bachok, Kelantan	Structural / Infrastructure
Alternative Design for Bridges No. 12 & 13, Central Spine Road, Package 4	Kg. Dong to Kg. Tanah Bercangkul, Pahang	Structural
Two-Storey Extension for Transfusion Department, Hospital Raja Permaisuri Bainun	Ipoh, Perak	Infrastructure
Alternative Arch Design for Replacement of Existing Bridge FT059/003/001	Batang Padang, Perak	Structural / Geotechnical

SAFARI INGENIUERS

Independent Checker Experience

Selected Assignments

Assignment	Location	ICE Discipline
lternative Design for Bridge Crossing Sungai Labu (CH830–CH975)	Sungai Labu	Structural
Elevated Water Tank (25.4 MLD), Sedenak Tech Park, Ibrahim Technopolis	Kulai, Johor	Structural / Civil
Geological Works for Kg. Hang Tuah to Sagil Road	Tangkak, Johor	Geotechnical
